Elevated on a scenic ridgeline lot in The Cliffs Village in Summerlin, gated Granite Heights, this contemporary Toll Brothers home offers unobstructed views of the Strip, city, and mountains. The curb appeal stands out immediately with stacked stone, pavers, and a private courtyard entry. Inside, the open-concept layout features high ceilings, hardwood floors, and large windows that flood the space with natural light. The kitchen is built for entertaining, centered around a massive granite waterfall island and equipped with Jenn-Air stainless appliances, soft-close cabinets, and an apron sink. A three-panel stacking slider opens the living space directly to a resort-style backyard, where you will find a sparkling saltwater pool, zero-edge spa, pool side shower, firepit, outdoor kitchen, and synthetic lawn. For downtime, the primary suite features a coastal spa-style bath with a deep soaking tub and a seamless glass shower. Upgrades include shutters, 2-tone paint, sleek baseboards, tray ceiling, and 6-panel doors. Practical extras include a huge laundry room with a built-in desk, laundry sink, a tankless water heater, and an epoxy garage floor. The location puts you minutes from Bishop Gorman High School, Downtown Summerlin, Oak Leaf Park, and nearby trails.
